

WELCOME HOME KITS

*You Can Help by
Donating a Kit
Today!*

Donating a kit is a wonderful opportunity for you and your family, friends, church group, and/or co-workers to do something together that can make a real difference in the life of someone who is transitioning to permanent housing.

Please help us uplift an individual and/or family start their new journey in their new home. Welcome Home Kits for Interfaith Hospitality Network guests who need necessary household items for their new homes as they move to permanent housing.

The costs associated with moving into a new home can add up quickly, particularly for those on a limited budget. By providing guests with a Welcome Home Kit, stocked with essentials like kitchen tools, cleaning supplies, and toiletries, you ensure that our guests start the next chapter of their lives with greater confidence that they have the basic items to get them started.
